Class holds will be 2 minutes in length with no exceptions. Holds must be requested 15 minutes before the academy session/show begins. Gate times will be strictly enforced and as one class exits the next will be promptly called.

Academy Horses must be a lesson horse regularly used in a professional operated lesson program. The horse must display safety characteristics accordingly. Horses will be excused from the competition for unsafe behavior, such as going too fast for a rider to handle. Horses are not to be judged and must be serviceably sound. No farm/barn affiliation should be visible on the horse, tack, or rider.

Turn out rules:

Academy Equitation:

Judged on the rider's basic equitation skills with correct diagonals and leads. Proper use of the ring is considered.

Academy Showmanship:

Judged on the rider's horsemanship abilities. It is judged on the rider's ability to control and show their horse. The rider's command of the horse, for example, speed, collectiveness, and placement in the ring is to be considered. Walk/Trot riders should not be penalized for incorrect diagonals. For walk/trot riders, promptness in finding the correct leads and diagonals is important.

Walk/Trot On the Line Class:

Walk/Trot riders will enter the ring at a walk and be judged on the rail as a group at the walk both directions of the ring. Riders are to be judged on form, presentation, and style. Trainers may help with diagonals. The class will line up. Each rider and handler will individually trot down one long rail, reverse and trot back, and return to the lineup. Trainers may designate a temporary header in the lineup show so that he/she may run with their different riders.
